

## **Superintendent**

Immediate Opportunity - Experienced Construction Superintendent

Experience a different, exciting company and career with PDG Construction Services. Join a team that shares common values of service, integrity and commitment to our clients, employees and families. At PDG, you will be involved in directing our mission and implementing our strategic goals for growth and industry recognition as a construction and development leader. PDG is a rapidly growing Northwest light commercial general contractor with specialties in mixed use and multifamily housing, senior housing and healthcare, retail construction and manufacturing. The vast majority of our work is a result of relationships with repeat clients. We are looking for a stand-out individual to become a key member of our construction management team.

The successful PDG Construction Superintendent will have industry experience in commercial construction, demonstrating a successful track record of projects completed in our areas of specialty or related project experience. Essential personal attributes will include self-motivation, inherent leadership and organizational skills, a strong work ethic, a positive attitude and an absolute commitment to ethical practices.

Overall coordination and management of onsite activities, scheduling, QA/QC, Project safety and client satisfaction of assigned construction projects. As a Superintendent you will work as a team member with experienced Project Managers for the successful completion of projects. You will report directly to the V.P. of Construction Operations and you will enjoy direct access and ongoing dialogue with the Owner and President.

- Bachelor's degree in Engineering or Construction Management or 10 years trade experience. 5 years of proven leadership or supervisory role.
- A depth of knowledge and experience with various construction methods and materials, their characteristics, installation procedures and tolerances.
- Basic computer skills, experience with Microsoft Office, Microsoft Outlook, and Microsoft Project preferred.
- Current Oregon driver's license with an insurable driving record.

We offer top compensation for the right individual, paired with excellent health, dental and fringe benefits.

***Opportunities for career growth and a great work environment are in your future if you are the right person for the PDG Team.***
